VEGETABLE PREPARATION MACHINE CA-601 2V 400/50/3N

Commercial Vegetable Processor with an hourly output of up to 1000 Kg. with automatic hopper

P/N 1050062

Sales Description

2 speed motor block and large production automatic hopper.

✓ New production technology that gives a uniform, high-quality cutting result.

✓ Ergonomic design.

✓ Lateral product eject requires less space on the worktop and directs the product avoiding splashing.

✓ Easily removable hopper and lid for cleaning purpose.

✓ NSF listed: guaranteed hygiene and safety.

✓ 3-phase only.

✓ Discs are not included*.

Features and Benefits

✓ Stainless steel construction and high quality material, all suitable for contact with food.

✓ New production technology that gives a uniform, high-quality cutting result.

✓ The large range of high quality discs and grids allows the operator to obtain over 70 different styles of product.

✓ Ergonomic design that allows to cut the product in just one movement.

✓ Lateral product ejection, reducing the amount of counter space required, whilst also minimising product splashing.

✓ This directs the product avoiding splashing.

✓ Electronic, user-friendly control board.

✓ Easily removable lever and lid for cleaning purposes.

✓ NSF-International certified appliance (complying with Hygiene, Cleaning and Food Material regulations). ·

Includes

✓ 2 speed motor block.

✓ Automatic hopper.
