

BEZZERA MODA DE 2 Group Espresso Machine Black MODADE2B

Quick Overview

- Boiler (L): 11
- Top-quality components
- AISI 304 S/S machine body
- Large working areas and special grids
- Tall-tops friendly (up to 13cm high cups)
- Thermostatic group control
- Heavy-duty internal motor pump
- The control box manages the coffee dosing programmed by the user, through an accurate volumetric system
- Heat Exchange: Operated with a hydraulic circuit separated from the boiler, so coffee is always prepared with fresh water
- Thermostatically Controlled Group: The 100W electrical resistance keeps the group temperature stable
- Boiler in copper: Levels in the boiler are automatically controlled by an electronic control unit
- Double safety system: Boiler high-temperature cut-off thermostat and the hydraulic overpressure valve
